FUND-RAISING DRIVE

Dear Warhawk Fans,

We need you. Arrowhead High School with the help of many private donations was able to build a beautiful stadium. In Phase 1, we mainly improved the home bleachers, increasing seating from 1,400 to 3,500, athletic storage, home teams ticket booth, blacktop, and built a great press box! In Phase 2, we are looking to improve fencing, expand concessions, visitor team's bleachers, ticket booth, sound and lighting, Arrowhead Walk of Fame, possibly restrooms, and new field turf. At this time, we would like to continue our fund-raising efforts, and we would like you to be a part of the proud history and tradition at Arrowhead. We hope that you will support our efforts as we continue to raise money for the stadium project.

ADVERTISING OPPORTUNITIES
